MEETING OF THE GOVERNING BODY

MEETING No.: 8

Date: 18th July 2026 Time: 03:00 pm

AGENDA ITEMS

Item No.	Description of Item
1.	To approve the minutes of the 7 th meeting of the Governing Body held on 04 th September 2025.
2.	To accord approval to the following recommendations made by the Finance Committee in its 7 th meeting held on 05 th June, 2026: a) Income & Expenditure Statement for the FY 2025-26 b) Budget utilization for FY 2025-26 c) Projected budget for the FY 2026-27 d) Revised fee structure for all existing programs, effective from the Academic Session 2027-28
3.	To accord approval to the selection of faculty members across various programs as recommended by the selection committee.
4.	To ratify the appointment of Col. (Retd.) Rajesh Sharma as Registrar at Model Institute of Engineering & Technology.
5.	To consider the report on the syllabi of the following programs, as approved by the Academic Council in its 8 th meeting held on 24 th June 2026, based on the recommendations of the respective Boards of Studies: a) School of Law - BBA LLB (Hons.) and LLB (Hons.) b) B.Tech ECE and EE c) B.Tech CE d) B.Tech CSE, CSE (AI & ML), CSE (CS), M.Tech CSE, BCA (Hons.) and MCA e) School of Management - MBA, BBA (Hons.), B. Com (Hons.) & BBA - BFSI (Hons.) f) School of Journalism - BA (Hons.) Journalism and Mass Communication
6.	To report on the status of commencement of Ph.D. in Engineering programs at MIET.
7.	To report the proceedings and outcomes of the 1 st Review Meeting on the implementation of the Strategic Plan 2024-30.
8.	To report on the conduct of examinations and declaration of results for all programs at MIET held during Aug-Dec period (2025-26).
9.	To report on the following activities/initiatives at MIET: I. Extension of Approval/Accreditation/Ranking a) Extension of Approval by the All-India Council for Technical Education (AICTE) for the academic year 2026-27

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

	b) Extension of Approval by the Bar Council of India (BCI) for the academic year 2026-27 c) Submission of institutional data under the National Institutional Ranking Framework (NIRF) 2026 d) Submission of institutional data to the All-India Survey on Higher Education (AISHE) 2025 e) Recognition among the “101 Best Practices in Indian Higher Education” by Success Verse Foundation. II. Research Development and Innovation a) Total number of Research Publications & Patents Filed/Granted b) Paper Presentation in International Conferences/Best Paper Award c) Faculty Certifications d) Status of Seed Grant III. Students Support and Activities a) Placement and Internships b) Smart India Hackathon 2025 c) I-Survive Adventure Camp 2026 d) Artist-in-Residence Initiative e) MIET Inspire Series f) Annual Sports Meet g) Sammilan-Student Fest h) Merit cum Mean Scholarships i) Director’s Merit List j) IEEE YESIST12 Prelims 2026 IV. Infrastructure upgradations V. Action Taken Report on the feedback gathered from students, faculty and employers. VI. Other Event/Activities a) 3rd International Conference on Next Generation Computing and Information Systems. b) Sarvajana AI c) TEDx d) AICTE ATAL FDP on Emerging Trends in AI, Metaverse and Quantum Computing. e) AICTE VAANI Seminar on Exploring Artificial Intelligence through Dogri. f) Annual Town Hall Meet g) MIET School of Law and DLSA Celebrate International Women’s Day h) Inauguration of Center of Excellence for Skill Development in Emerging Technologies i) Annual Research Awards
10.	Any other point with the permission of the Chair.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 1

To approve the minutes of the 7th meeting of the Governing Body held on 04th September 2025.

Note:

The 7th meeting of the Governing Body was held on 04th September 2025, and the minutes of the meeting were circulated to the members through email on 15th September 2025. The minutes are attached as **Annexure - I**. The action taken report is given below:

ACTION TAKEN REPORT

S.No.	Resolution on Item	Action Taken
1.	The following recommendations of the Finance Committee were approved in the 7th Governing Body Meeting held on 4th September 2025: a) Projected Budget (FY 2025–26) b) Fee Structure for programmes under the Centre for Continuing Professional Education (CCPE).	a) The approved projected budget (FY 2025–26) has been implemented. b) The fee structure for the programs offered under the Centre for Continuing Professional Education (CCPE) has been notified.
2.	The following items were approved during 7th Governing Body meeting held on 4th September 2025: a) Revised statutes in accordance with the UGC (Minimum Standards of Instruction for the Grant of Undergraduate Degree and Postgraduate Degree) Regulation, 2025. b) Revised Institutional policies: ● IT Policy ● Academic Integrity Policy ● Environmental & Sustainability Policy ● Policy for Supporting Differently-Abled Persons ● Placement Policy ● Scholarship Policy ● Sports Policy c) Establishment of the Centre for Continuing Professional Education (CCPE). d) Approval of faculty appointments recommended by the respective Selection Committees.	The following approvals were implemented from the Academic Year 2025–26: a) The revised statutes in accordance with the UGC (Minimum Standards of Instruction for the Grant of Undergraduate Degree and Postgraduate Degree) Regulation, 2025. b) Revised Institutional Policies. c) Operationalisation of the Centre for Continuing Professional Education (CCPE). d) Appointment orders were issued to the faculty members recommended by the respective Selection Committees.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 2

To accord approval to the following recommendations made by the Finance Committee in its 7th meeting held on 05th June, 2026:

- Income & Expenditure Statement for the FY 2025-26
- Budget utilization for FY 2025-26
- Projected budget for the FY 2026-27
- Revised fee structure for all existing programs, effective from the Academic Session 2027–28

Note:

The following recommendations were made by the Finance Committee in its 7th meeting held on 05th June, 2026:

- Income & Expenditure Statement for the FY 2025-26 (**Annexure - II (a)**)
- Budget utilization for FY 2025-26 (**Annexure - II (b)**)
- Projected budget for the FY 2026-27 (**Annexure – II (c)**)
- Revised fee structure for all existing programs, effective from the Academic Session 2027–28:

S.No.	Program	Tuition Fees (Rs.) (AY 2026-27)	Tuition Fees (Rs.) (AY 2027-28) After 10% increase
1.	B.Tech CSE B.Tech CSE -AIML B.Tech CSE- CS B.Tech EE B.Tech ECE B.Tech CE	114550	126000
2.	MBA	109850	120835
3.	BBA (Hons.)	88950	97845
4.	BBA BFSI (Hons.)		
5.	B. Com (Hons.)		
6.	BCA (Hons.)		
7.	BA (Hons.) Journalism & Mass Communication		
8.	MCA		
9.	BBA LLB (Hons.)	94700	104170
10.	LLB (Hons.)		
11.	M. Tech (CSE)	85500	No Change

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

The proposed 10% increase in tuition fees is intended to support the institution's ongoing efforts to enhance academic quality and student facilities. The key factors necessitating the proposed revision include:

1. Development of two new academic blocks (1.5 Lakh Square feet)
2. Installation of a centralized air-conditioning system across classrooms and labs in Blocks B, C and D covering 80 rooms.
3. Strengthening of academic and administrative leadership teams through the appointment of senior professionals
4. Development, upgradation and modernization of laboratories
5. Increase in operational, maintenance and utility costs.

The minutes of the meeting are attached as **Annexure – II (d)**

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 3

To accord approval to the selection of faculty members across various programs as recommended by the selection committee.

Note:

The Selection Committee interviews for the recruitment of Professors, Associate Professors, and Assistant Professors were conducted for the School of Law (November 29, 2025), the Department of Computer Science & Engineering and Computer Applications (December 1, 2025), the School of Management (December 17, 2025), the Department of Electronics and Communication Engineering (December 18, 2025), the Department of Electrical Engineering (December 18, 2025), and the Department of Civil Engineering (April 24, 2026).

The details of the faculty members recommended by the respective Selection Committees are provided below:

S. No.	Selection Committee Meeting Date	Department	Faculty Name	Designation
1.	29-11-2025	School of Law - BBA LLB (Hons.) and LLB(Hons.)	Dr. Insha Idrees Tak	Assistant Professor
			Dr. Mohd Aqib Aslam	Assistant Professor
			Dr. Sharad Sharma	Assistant Professor
			Ms. Janees Rafiq	Assistant Professor
			Dr. Shafia Nazir Shah	Assistant Professor
			Dr. Nasheman Ferozan	Assistant Professor
			Ms. Harneet Kour	Assistant Professor
			Ms. Vishaka Chib	Assistant Professor
2.	01-12-2025	Computer Science & Engineering and Master's of Computer Applications	Dr.. Sakshi Popli	Assistant Professor
			Dr. Heena Jasrotia	Assistant Professor
			Ms. Swati Mahajan	Assistant Professor
			Ms. Shivani Bhargav	Assistant Professor
			Mr. Rajat Sharma	Assistant Professor
			Mr. Aniket Sharma	Assistant Professor
3.	17-12-2025	School of Management	Dr. Kavita Shastri	Professor
			Dr. Kanika Juneja	Assistant Professor
			Dr. Paramdeep Kour	Assistant Professor
			Dr. Muntazir Abass	Assistant Professor
			Dr. Vibha Mahajan	Assistant Professor
			Dr. Tahir Fazal Choudhary	Assistant Professor
			Dr. Tahir Nazir	Assistant Professor
			Mr. Munish Kumar	Assistant Professor
			Ms. Antra Sharma	Assistant Professor

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

4.	18-12-2025	Electronics and Communication Engineering	Dr. Surbhi Sharma	Associate Professor
			Dr. Satyendra Kumar Singh	Associate Professor
			Dr. Sarabdeep Singh Bijral	Associate Professor
			Dr. Umar Farooq	Assistant Professor
5.	18-12-2025	Electrical Engineering	Dr. Parveen Kumar	Assistant Professor
6.	24-04-2026	Civil Engineering	Dr. Abhimanyu Sharma	Assistant Professor
			Dr. Hafsoah Ahmad	Assistant Professor
			Dr. Abdul Haseeb Wani	Assistant Professor
			Mr. Abhishek Sharma	Assistant Professor

The minutes of all the selection committees mentioned above are attached as **Annexure - III**.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 4

To ratify the appointment of Col. (Retd.) Rajesh Sharma as Registrar at Model Institute of Engineering & Technology.

Note:

The Internal Screening Committee evaluated the candidature of Col. (Retd.) Rajesh Sharma for the position of Registrar at Model Institute of Engineering & Technology.

The Committee noted that Col. (Retd.) Rajesh Sharma is a distinguished Indian Army veteran with over 30 years of experience in senior operational, administrative, human resource management, project management, security and institutional leadership roles. His academic qualifications include B.E Electronics and Advanced Management program from OP Jindal University. In addition to this he has undertaken several courses including Young Officers Course, Graduate Engineering Entry Course, Company Commander Courses, Regimental Command Course (from MCTE, Mhow), Junior Command Course and Senior Command Course (from Army War College)

After carefully considering extensive leadership experience, proven administrative capabilities and the relevance of his expertise to the governance and administration of a higher educational institution, the Committee is of the considered opinion that he is well suited for the position of Registrar.

Accordingly, matter is placed before the Governing Body to ratify the appointment of Col. (Retd.) Rajesh Sharma as Registrar.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 5

To consider the report on the syllabi of the following programs, as approved by the Academic Council in its 8th meeting held on 24th June 2026, based on the recommendations of the respective Boards of Studies:

- a) School of Law - BBA LLB (Hons.) & LLB (Hons.)
- b) B.Tech ECE and EE
- c) B.Tech CE
- d) B.Tech CSE, CSE (AI & ML), CSE (CS), M.Tech CSE, BCA (Hons.) and MCA
- e) School of Management - MBA, BBA (Hons.), B. Com (Hons.) & BBA - BFSI (Hons.)
- f) School of Journalism - BA (Hons.) Journalism and Mass Communication

Note:

The curriculum details for various programs as recommended by the Board of Studies and subsequently approved by the Academic Council are as follows:

S.No.	Program	Curriculum Recommended	Meeting Date
1.	School of Law - BBA LLB (Hons.) & LLB (Hons.)	a) 9 th & 10 th semesters of the BBA LL.B. (Hons.) program for 2022-27, 2023-28, 2024-29 and 2025-30 batches. b) 1 st and 2 nd semesters of the BBA LL.B. (Hons.) program for 2026–31 batch and onwards. c) 1 st and 2 nd semesters of the LL.B. (Hons.) program for 2026–31 batch and onwards.	28 th May 2026
2.	B.Tech ECE & B.Tech EE	a) 1 st and 2 nd semesters of the B.Tech ECE program for the batch 2026–30 and onwards. b) 1 st and 2 nd semesters of the B.Tech EE program for the batch 2026–30 and onwards. c) 5 th to 8 th semesters of the B.Tech EE program for the 2024–28 and 2025-29 batches	29 th May 2026
3.	B.Tech CE	1. 1 st and 2 nd semesters of the B.Tech Civil Engineering program for the batch 2026–30 and onwards. 2. 5 th to 8 th semesters of the B.Tech CE program for the batch 2025-29.	30 th May 2026
4.	B.Tech CSE, B.Tech CSE (AI & ML), B.Tech CSE (Cyber Security), BCA (Hons.) M.Tech (CSE) & MCA	I. 1 st and 2 nd semesters of the B.Tech CSE, B.Tech CSE (AI & ML) and B.Tech CSE (Cyber Security) programs for the batch 2026–30 and onwards. II. 7 th and 8 th semesters of the B.Tech CSE Cyber Security program for the batches 2023-27, 2024-28 and 2025-29	04 th June 2026

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

		II. 3 rd and 4 th semesters of the M.Tech CSE program for the batch 2025–27 and onwards. IV. 1 st and 2 nd semesters of the BCA (Hons.) program for the 2026–30 batch and onwards. V. 7 th and 8 th semesters of the 4-year BCA (Hons.) program for the batches 2023-27, 2024-28, and 2025-29.	
5.	School of Management - MBA, BBA (Hons.), B. Com (Hons.) & BBA - BFSI (Hons.)	a) 1 st and 2 nd semesters of the MBA program for the batch 2026–28 and onwards. b) 1 st and 2 nd semesters of the 4-year BBA (Hons.) program for the batch 2026-30 and onwards. c) 1 st and 2 nd semesters of the 4-year BBA-BFSI (Hons.) program for the batch 2026-30 and onwards. d) 7 th and 8 th semesters of the 4-year BBA-BFSI (Hons.) program for the 2023-27, 2024-28 and 2025-29 batches. e) 1 st and 2 nd semesters of the 4-year B.Com Hons. program for the batch 2026-30 and onwards.	6 th June 2026
6.	School of Journalism - BA (Hons.) Journalism and Mass Communication	1 st and 2 nd semesters of the BA (Hons.) Journalism and Mass Communication program for the batch 2026-30 and onwards.	18 th June 2026

The approved minutes of the Board of Studies meetings are enclosed as **Annexure - IV**

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 6

To report on the status of commencement of Ph.D. in Engineering programs at MIET.

Note:

The members were apprised of the approval accorded by the University of Jammu for the commencement of the Ph.D. in Engineering programs at MIET from the Academic Session 2026–27, the University of Jammu Notification is attached as **Annexure - V**.

As per the University guidelines, the Ph.D. programs shall be administered through a structured research framework. Doctoral research shall be overseen by the Board of Research Studies (BORS) at the University level, while the Institute shall constitute DRCs and RACs to guide and monitor research scholars. Eligible regular faculty members of the Institute shall serve as supervisors, with co-supervisors from the University of Jammu being associated, wherever required.

Admissions to the Ph.D. programs shall be conducted in accordance with the regulations of the University of Jammu and UGC norms. The Institute shall notify available research seats and approved supervisors, conduct course work, facilitate scholar registration, and monitor research progress as per prescribed guidelines.

The Institute shall also ensure compliance with University regulations relating to research supervision, progress review, thesis submission, evaluation, and viva-voce examinations, while maintaining the necessary academic and administrative support for doctoral studies.

(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 7

To report the proceedings and outcomes of the 1st Review Meeting on the implementation of the Strategic Plan 2024–30.

Note:

The 1st Review Meeting on the implementation of the Strategic Plan 2024–2030 reviewed the progress of strategic initiatives and identified key actions to strengthen institutional performance, enhance monitoring mechanisms and ensure the timely achievement of the Strategic Plan objectives. A summary of the key tasks accomplished under each plan in the 1st phase is presented below.

1.	Digital Transformation Plan	a) Upgraded campus internet connectivity to 1 Gbps with a dedicated leased line and backup connectivity. b) Strengthened campus digital infrastructure with managed 35 additional Wi-Fi access points, IP-PBX communication, cloud-based digital displays, and high-speed networking. c) Upgraded the Cisco Networking Academy Lab with advanced networking equipment at an approximate cost of ₹12.65 lakh. d) Established a cluster of two NVIDIA DGX Spark systems for Sovereign AI research at an approximate cost of ₹9.50 lakh. e) Implemented advanced cybersecurity measures, including firewall protection - SOPHOS XGS4300, secure authentication, encrypted backups, and multi-factor authentication. f) Established a centralized NAS storage system to enhance data security, accessibility, and backup across the campus. g) Automated academic and administrative processes through the PI-360 digital platform. h) Installed 25 Smart Interactive Panels to enhance digital teaching and collaborative learning. i) Modernized laboratories with high-performance workstations, AI infrastructure, networking equipment, and industry-standard software. j) Implemented systematic e-waste disposal through authorized recycling agencies in compliance with environmental regulations.
2.	Research, Development & Innovation Plan	a) Start of PhD program after completing the necessary formalities from the Academic Year 2026-27 b) Established three Centres of Excellence with a total investment of ₹45 lakh to strengthen research, innovation and industry collaboration. c) Established the Centre for Applied AI and Frontier Technologies and procured high-performance NVIDIA AI workstations, costing approximately ₹9.60 lakh, to strengthen AI research, innovation, and interdisciplinary learning. d) Implemented a revised Research Incentive Policy to promote quality publications, patents, funded projects, and research excellence.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

		e) Strengthened Intellectual Property Rights (IPR) support through patent awareness programs, mentoring, and filing assistance, resulting in the filing of 20 new patents. f) Instituted the Annual Research Awards to recognize outstanding research contributions by faculty. g) Provided travel grants to support faculty participation in international conferences. h) Secured externally funded projects and grants, including AICTE ATAL FDP and AICTE VAANI, amounting to ₹5.50 lakh, while strengthening industry-sponsored research collaborations. i) Center for Applied AI - developed an ambitious plan of 50 real-world AI projects to showcase at the AI-day in November 2026. j) Performance Insight-360 software being enhanced with an in-house developed AgenticAI layer for enhanced student support and mentoring.
3.	Learning and Development Plan	a) LinkedIn Learning licenses to students of the 4-year UG Honours programs, 1st-year Engineering, and 1st-year Law, offering access to 20,000+ courses, certifications, AI interview simulations, and virtual labs, at a cost of Rs. 50 lakh for 3 years b) Expanded strategic partnerships with NVIDIA, Cisco Networking Academy, UiPath Academic Alliance, AWS Academy, Oracle Academy and Palo Alto Networks to deliver FDPs, certification programs, workshops and industry-led training in emerging technologies for faculty and students. c) Developed department-specific and individualized Coursera learning paths for faculty members to support structured, outcome-driven skill development. d) Teaching and Learning Center developing innovative pedagogical frameworks for implementation and modern faculty training programs for improving quality of teaching-learning.
4.	Academic Plan	a) Commencement of new academic program: B.A. (Hons.) in Journalism and Mass Communication from the AY 2026-27 b) Collaborations with LinkedIn Learning, National Institute of Securities Markets (NISM), MongoDB, Zoho Books, Vivo, AMD and Autodesk to strengthen industry-oriented learning and enhance student employability. c) Entire curriculum revised to include exposure to emerging domains, skilling and competency-based assessments.
5.	Infrastructure Development Plan	a) Obtained the Change of Land Use (CLU) certificate for approximately 62 kanals of land at a cost of ₹1,33,81,520. b) Established a new canteen facility spanning 404.3 sq. m to enhance student and staff amenities. c) Completed key infrastructure upgrades, including lifts, ramps, washrooms, improved pathways, signage and barrier-free infrastructure. d) Implemented an RFID-enabled Library Management System with a Book Drop Unit and Digital Entry Reader to modernize library services. e) Initiated the installation of centralized air-conditioning in D-Block classrooms (covering approximately 13,700 sq. ft.) at an approximate cost of ₹60 lakhs. f) Two Pickle-Ball courts were set up at a cost of Rs. 12 lakhs.
6.	IQAC Plan	a) Strengthened data-driven governance through PI-360 by integrating academic, accreditation, research, placement, AI-Powered

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

		Institutional Reporting and governance dashboards for continuous performance monitoring. b) Improved workplace safety through fire safety measures, emergency preparedness, medical support, and periodic safety audits. c) Implemented campus-wide cleanliness, waste segregation, and e-waste management to promote a safe and sustainable environment. d) Established a comprehensive stakeholder feedback system with regular analysis, action taken reports, and continuous quality improvement. e) Organized Faculty Development Programs (FDPs), certification programs, and industry-oriented training through the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching, the R&D Cell and leading online learning platforms. f) Strengthened alumni engagement through structured mentoring, networking, and student interaction programs.
7.	Brand Enhancement Plan	a) Established the Centre for Skill Development in Emerging Technologies to deliver industry-led skilling programs in Electric Vehicles (EVs), Drones, Cyber-Physical Systems (CPS), Factory Automation, and other emerging areas. b) Organized flagship events, including international conferences, TEDx, conclaves, hackathons, the MIET Inspire Series, and Artist-in-Residence programs. c) Enhanced institutional visibility through media coverage, digital campaigns, social media engagement, and promotion of institutional achievements. d) Strengthened national engagement by actively participating in initiatives such as Unnat Bharat Abhiyan, NEP Saarthi, the KAPILA Scheme, AICTE Internships, and Institution's Innovation Council (IIC) mentoring programs.
8.	Sustainability Development Plan	SDG 3: Good Health & Well-being a) Established an Open Gym. b) Developed futsal and pickleball courts, strengthening sports infrastructure and promoting student well-being through the organization of the Annual Sports Meet and active participation of students in university- and state-level sporting events c) Subscribed to YourDost, an around-the-clock mental health support platform for the student body. d) Availability of full-time Counsellor in the campus SDG 4: Quality Education a) Expanded digital learning through setting up smart classrooms b) Provided access to online learning platforms such as Coursera and LinkedIn Learning c) Setting up of Teaching and Learning Center to provide quality education SDG 5: Gender Equality a) Strengthened Internal Complaint Committee as per new guidelines b) Gender sensitization programs conducted. c) 55% women faculty at MIET - equal opportunity employment in practice. SDG 6: Clean Water & Sanitation a) Implemented a rainwater harvesting system with a storage capacity of 46,000 litres b) Installed a new borewell to strengthen the campus water supply infrastructure at an approximate cost of ₹22 lakh. SDG 7: Affordable & Clean Energy a) Increased the campus solar power capacity to 95 kVA with an investment of approximately ₹24.25 lakh

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

		b) Upgraded campus power infrastructure with a 250 kVA Generator, 400 kVA transformer and servo system SDG 17: Partnerships for the Goals a) Expanded strategic collaborations with industry and academic partners through new MoUs and Centres of Excellence.
--	--	---

The members of the Strategic Review Committee emphasised institutionalising periodic strategic reviews, strengthening inter-departmental coordination and ensuring robust monitoring and accountability to facilitate the timely and effective implementation of the Strategic Plan 2024–2030.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Item No. 8

To report on the conduct of examinations and declaration of results for all programs at MIET held during Aug-Dec period (2025-26).

Note:

The members were informed that the Controller of Examinations Wing at MIET conducted the End-Semester Examinations for the Odd Semester (August–December 2025) of the B.Tech, BBA (Hons.), B.Com (Hons.), BBA LL.B. (Hons.), LL.B. (Hons.), BCA (Hons.), M.Tech, MBA, and MCA programs. The program-wise details of the examinations conducted and results declared, along with the relevant dates, are provided below:

Program	End Semester Examination	Timeline	Result Date
B.Com-Honours	1st Semester	14-01-2026 to 21-01-2026	07-02-2026
	3rd Semester	27-12-2025 to 08-01-2026	23-01-2026
	5th Semester	09-01-2026 to 20-01-2026	06-02-2026
	7th Semester	24-12-2025 to 26-12-2025	27-01-2026

Electronics and Communications Engineering	1st Semester	14-01-2026 to 21-01-2026	13-02-2026
	3rd Semester	27-12-2025 to 10-01-2026	03-03-2026
	5th Semester	09-01-2026 to 17-01-2026	13-03-2026
	7th Semester	24-12-2025 to 29-12-2025	14-01-2026
LLB (Honours)	1st Semester	14-01-2026 to 23-01-2026	06-02-2026
	3rd Semester	27-12-2025 to 10-01-2026	22-01-2026
	5th Semester	09-01-2026 to 20-01-2026	27-01-2026
Master of Technology (CSE)	1st Semester	14-01-2026 to 21-01-2026	29-01-2026
	3rd Semester	27-12-2025 to 30-12-2025	10-02-2026
Masters in Business Administration (MBA)	1st Semester	09-01-2026 to 21-01-2026	12-02-2026
	3rd Semester	24-12-2025 to 10-01-2026	27-01-2026
Masters in Computer Applications (MCA)	1st Semester	12-01-2026 to 21-01-2026	06-02-2026
	3rd Semester	27-12-2025 to 08-01-2026	16-01-2026

The average pass percentage across all examinations was 63%, with the average time taken for result declaration being approximately 17 days.

Item No. 9

To report on the following activities/initiatives at MIET:

I. Extension of Approval/Accreditation/Audits/Ranking

- a. Extension of Approval by the All-India Council for Technical Education (AICTE) for the academic year 2026–27
- b. Extension of Approval by the Bar Council of India (BCI) for the academic year 2026–27
- c. Submission of institutional data under the National Institutional Ranking Framework (NIRF) 2026
- d. Submission of institutional data to the All-India Survey on Higher Education (AISHE) 2025
- e. Recognition among the “101 Best Practices in Indian Higher Education” by Success Verse Foundation.

II. Research Development and Innovation

- a) Total number of Research Publications & Patents Filed/Granted
- b) Paper Presentation in International Conferences/Best Paper Award
- c) Faculty Certifications
- d) Status of Seed Grant

III. Students Support and Activities

- a) Placement and Internships
- b) Smart India Hackathon 2025
- c) I-Survive Adventure Camp 2026
- d) Artist-in-Residence Initiative
- e) MIET Inspire Series
- f) Sports Events
- g) Sammilan-Student Fest
- h) Merit cum Mean Scholarships
- i) Director’s Merit List
- j) IEEE YESIST12 Prelims 2026

IV. Infrastructure upgradations

- V. Action taken report on the feedback gathered from students, faculty and employers.**

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

VI. Other Event/Activities

- a) 3rd International Conference on Next Generation Computing and Information Systems.
- b) Sarvajana AI
- c) TEDx
- d) AICTE ATAL FDP on Emerging Trends in AI, Metaverse and Quantum Computing.
- e) AICTE VAANI Seminar on Exploring Artificial Intelligence through Dogri.
- f) Annual Town Hall Meet
- g) MIET School of Law and DLSA Celebrate International Women's Day
- h) Inauguration of Center of Excellence for Skill Development in Emerging Technologies
- i) Annual Research Awards

Note:

I. Extension of Approval/Accreditation/Audits/Ranking

- The institution has received the Extension of Approval (EoA) from AICTE for the academic year 2026-27.
- The institution has received the Extension of Approval by BCI for the Academic Year 2026-27 for its BBA LL.B. (Hons.) and LL.B. (Hons.) programs.
- The institution has submitted data for the NIRF Rankings 2026 in the Engineering, Management, Innovation and Overall categories.
- The institution has submitted the required data to the All-India Survey on Higher Education (AISHE) 2025.
- MIET has been recognized among the “101 Best Practices in Indian Higher Education” by the Success Verse Foundation, acknowledging the institution's innovative initiatives and commitment to academic excellence and institutional development.

II. Research Development and Innovation

- a) Since the last meeting of the Governing Body, a total of 102 research papers have been published by faculty of the institution. Of these, 84 papers are indexed in Scopus and 32 are indexed in the Web of Science, reflecting a strong emphasis on high-quality and

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

impactful research output. Additionally, 10 Utility Patents have been filed and 9 IPRs have been granted (5 utility patents, 2 design registrations and 2 copyrights).

b) Faculty members presented their research work during the international conferences held at Macau and Malaysia

- Prof. Sahil Sawhney presented a research paper at IEEE International Conference on Teaching, Assessment, and Learning for Engineering (TALE 2025), hosted by Macau Polytechnic University on 4-7 December 2025.
- Dr. Shubham Gupta presented a research paper at IEEE Innovations in Machine, Engineering, and Digital Conference (IMED) 2026, held at Jesselton University College in Sabah, Malaysia on 6-7 March 2026.

The following faculty members received the best paper awards:

- Dr. Shubham Gupta received the Best Paper Award at IEEE Innovations in Machine, Engineering, and Digital Conference (IMED) 2026, held at Jesselton University College in Sabah, Malaysia.
- Prof. Ankita Nanda received Best Paper Award at Thirteenth International Conference on Transformations in Engineering Education (ICTIEE 2026), held at GITAM University, Bangalore on 7-10 January 2026.
- Dr. Parul Sharma received Best Paper Award at 2nd International Conference on Smart Computing and Communication for Sustainable Convergence (ISCCSC 2025), held at Chitkara University, Punjab on 5-6 December 2025

c) 70 faculty members have completed one or more Faculty Development and Certification programs. such as IUCEE Certified Felder-Brent Teaching and Learning Course (9 faculty members), SWAYAM/NPTEL FDPs (50), the Wadhwani Foundation Entrepreneurship Educator Program (6), UGC-MMTTP programs (59), and the Online Short-Term Course in Leadership Skills & Development (12).

d) The following financial grants were sanctioned to faculty members under Seed Grant Policy since the last Meeting of the Governing Body:

S. No.	Project Title	Investigators	Amount Sanctioned (Rs.)	Status
--------	---------------	---------------	-------------------------	--------

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

1	Sovereign AI setup at MIET: Building, Deploying and Benchmarking localized AI models	Prof. Ankur Gupta, Prof. Sahil Sawhney and Mr. Karan Khajuria	5,61,000/-	Ongoing
2	Development of an AI-Based Smart Apple Sorter using computer vision and industrial automation	Mr. Karan Khajuria and Dr. Surbhi Sharma	75,000/-	Completed
3	Power Monitoring Dashboard for MIET, Jammu.	Mr. Bhanu Pratap Singh Jamwal, Dr. Surbhi Sharma and Mr. Karan Khajuria	1,36,000/-	Ongoing
Total Amount Sanctioned			7,72,000/-	

The status of the earlier projects sanctioned under Seed Grant Policy is given below:

S. No.	Project Title	Investigators	Amount Sanctioned (Rs.)	Status
1	SeeDo.ai (Automated Staff Attendance & Car Parking Management in MIET Campus)	Mr. Karan Khajuria	1,70,000/-	Ongoing
2	Rainwater Harvesting Phase III	Mr. Abhishek Chandra	3,00,000/-	Ongoing
3	Pedagogical Interventions to Boost Student Engagement: A Cross Disciplinary Comparison of Engineering and Management Students Perspectives	Prof. Ankita Nanda and Dr. Surbhi Sharma	50,000/-	Completed
4	Assessing the Effectiveness of Faculty Development Programs on CUrriculum Design and Classroom Implementation	Dr. Surbhi Sharma and Prof. Ankita Nanda	50,000/-	Completed
5	Conducting a Socio-Economic Impact Assessment of MIET on Surrounding Rural Communities: A Case Study of Nearby Villages	Dr. Parul Sharma and Dr. Deeksha Singh	50,000/-	Closed
6	CareTaker.ai - A Smart Health Monitoring and Caretaker Assistant System for Elder Healthcare	Prof. Sahil Sawhney and Dr. Suhaib Ahmed	2,50,000/-	Ongoing
7	Petszo - Blockchain Based Pet Lifecycle Management Platform	Mr. Karan Khajuria and Prof. Sahil Sawhney	1,30,000/-	Completed

III. Student Support and Activities

- The graduating Batch of 2025 secured 250 placement offers from leading organizations across technology, consulting, banking, insurance, retail and manufacturing sectors, resulting in 180 student placements. The MBA program

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

achieved 100% placement among eligible students, with strong outcomes also recorded across engineering, management and commerce programs.

The placement process for the graduating Batch of 2026 is currently in progress, with 170 offers already secured.

In addition, students across all programs participated in structured summer and semester-long internships with reputed companies, research institutions, IITs, government departments, and legal firms. These initiatives provided practical exposure, enhanced professional competencies and improved students' readiness for employment and higher studies.

- b. Students of MIET demonstrated exceptional innovation and technical excellence through their participation in the Smart India Hackathon (SIH) 2025. Team Instant Ideators emerged as Joint Winners in the Hardware Edition Grand Finale held at the Chennai Institute of Technology, Chennai, and was awarded a cash prize of ₹75,000. The team developed a low-cost, non-invasive solution for the early detection of neurological disorders such as Parkinson's disease, Alzheimer's disease, and epilepsy using EEG sensors, AI-based analytics and wearable technology.
- c. Around 1400 students across all the programs attended the I-Survive adventure boot camp held from 09th April to 05th May, 2026 at Patnitop, J&K. The focus of the camp was to develop life skills among students through adventure sports and activities. These activities also imparted key learnings pertaining to overcoming individual fear and mental blocks, pushing yourself and testing your limits and finally trusting others and working as a team.
- d. Under the Artist-in-Residence initiative, MIET organized a series of workshops and cultural engagements aimed at nurturing creativity, artistic expression, and performing arts among students.
 - A three-day Caricature Workshop was conducted by renowned caricature artist Mr. Chandrashekhar (Bunty Cartoonist), introducing students to the fundamentals of caricature art, visual storytelling, and creative sketching through interactive hands-on sessions.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

- The institution also hosted a three-day Theatre Workshop led by Mr. Deepak Kumar, Founder and Director of Rangyug, Jammu, where students were trained in voice modulation, body language, improvisation, stage presence and teamwork.
 - The initiative culminated with a musical engagement by the celebrated singer and composer Ms. Seema Anil Sehgal, whose interaction and performances inspired students and enriched their appreciation of music, culture and artistic expression. These activities provided students with valuable opportunities for creative learning and holistic personality development.
- e. Under the MIET Inspire Series, the institution hosted inspiring sessions with distinguished achievers from diverse fields.
- Colonel Rajinder Kumar Sharma, Kirti Chakra, Shaurya Chakra, Sena Medal (Retd.), shared valuable lessons on leadership, courage, and service drawn from his illustrious military career.
 - Mr. Chandeeep Singh Sudan, a national-level para-athlete and world-record-holding skater, inspired students through his remarkable journey of resilience and determination. The sessions provided students with meaningful insights into overcoming challenges and striving for excellence.
- f. The institution successfully concluded Sports Meet 2026 with a Prize Distribution Ceremony recognizing the achievements of student athletes across various sporting disciplines. More than 300 students participated enthusiastically in events including cricket, basketball, volleyball, kabaddi, badminton, table tennis, chess, athletics and other indoor and outdoor sports.

The CSE Department emerged as the Overall Champion, while notable victories were recorded by the School of Law in Cricket, School of Management in Men's Basketball, BBA in Women's Basketball, and CSE in Kabaddi. Special honours were awarded to Anshul Padha (CSE) and Asleshha Vikram (BBA) as Athlete of the Year (Male and Female), respectively.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

- g. Sammilan-2025 the annual cultural fest, was organized from 10–12 December 2025, featuring a wide range of student activities and competitions including tech activities, dance and music competitions, debate, e-sports, mandala art and rangoli, short advertisement making, poetry and story writing and art and craft exhibitions. The event provided a platform for students to showcase their talent and creativity. The fest concluded with a live performance by Project 91, creating an engaging and vibrant atmosphere on campus.
- h. Scholarships amounting to ₹29,45,615/- were distributed to 224 first-year students from various departments, including CSE, Civil, ECE, BBA (Hons.), B.Com (Hons.), BBA LLB (Hons.), LLB (Hons.), MBA and MCA of Batch 2025–26 on a merit basis.
- i. The Director's Merit List 2025 Award was organized on 11th October, to felicitate the students achieving the top three positions in their programs during the last academic session. Prof. Ankur Gupta, Director, MIET, presented medals along with certificates to all the students.
- j. MIET Jammu successfully organized the IEEE YESIST12 Prelims 2026 on 11th April 2026, serving as a Pilot Center for this prestigious global innovation initiative of IEEE. The event provided a platform for students and young innovators to showcase technology-driven solutions aligned with societal needs and the United Nations Sustainable Development Goals (SDGs).

The prelims witnessed participation from 38 teams representing reputed institutions and schools across the region. Projects were presented across five tracks-Innovation Challenge, Maker Fair, WePower, Special Track, and Junior Einstein and were evaluated by a distinguished panel of experts from academia and industry. Winning and shortlisted teams were recognized for their innovation, creativity and technical excellence, with selected teams advancing to subsequent stages of the competition and competing for a place in the Global Grand Finale in Indonesia.

IV. Infrastructure Upgradations

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS) (Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Significant infrastructure augmentation and modernization initiatives were undertaken during the period to strengthen the institution's academic, research, innovation, and student support ecosystem. Key developments include:

Academic and Research Infrastructure

- Established and operationalized Centres of Excellence in Artificial Intelligence and Frontier Technologies, Cyber-Physical Systems (in collaboration with IIT Ropar), Drone Technologies, and Electric Vehicles, equipped with IoT kits, embedded systems, sensors, advanced workstations, UAV assembly facilities, EV powertrain models, battery systems, BLDC motors, controllers, and transmission systems to support experiential learning, research, innovation and industry-oriented training.
- Upgraded classrooms, laboratories, and academic facilities through the installation of 25 Smart Interactive Panels (22 units of 86-inch and 3 units of 65-inch panels) across academic departments, laboratories, Media Center and the Library Resource Centre, significantly enhancing technology-enabled teaching and learning.
- Strengthened computing and research infrastructure through the addition of 40 desktop systems, 5 advanced workstations for the Drone Lab, 2 Nvidia DGX Spark AI workstations for CRIE Lab, 30 Workstations for NVIDIA Lab and a GPU RTX A400 graphics workstation to support high-performance computing, AI applications, simulation, and research activities.
- Upgraded Cisco Academy Lab hardware with 2 Cisco 8200L series routers and Cisco 9200 L series switches.

Digital Infrastructure and Campus Connectivity

- Expanded campus-wide digital connectivity through the installation of 35 additional Wi-Fi access points, enhancing internet accessibility and network reliability across academic and administrative blocks.
- Enhanced campus safety and security through the deployment of additional 39 CCTV cameras, a 64-channel Network Video Recorder (NVR), biometric access systems, and upgraded surveillance infrastructure to ensure a secure learning environment.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS) (Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

- Strengthened digital information dissemination and student support services through the installation of 4 Digital Kiosks/Interactive Standees, enabling improved access to institutional information and services.
- Strengthened campus-wide digital security through the installation of advanced Firewall.

Library and Learning Resource Enhancement

Modernized library services through the implementation of a comprehensive RFID-enabled Library Management System, installation of a Book Drop Unit, and a Digital Entry Reader, facilitating efficient book tracking, seamless circulation, enhanced security and improved user experience.

Power, Sustainability and Campus Facilities

- Strengthened the institution's power infrastructure through the commissioning of a 250 kVA Generator, 400 kVA transformer and servo system, significantly improving power reliability, voltage stabilization and uninterrupted operation of academic, laboratory and administrative facilities.
 - Enhanced sustainability initiatives by expanding the institution's solar power capacity with an additional 65 kVA alongside the existing 30 kVA system
 - Enhanced student amenities and campus accessibility through the establishment of a new canteen facility spanning 404.3 sq. m., the installation of a lift in Block B, and the provision of 32 air conditioners in staff rooms.
 - A centralized air-conditioning system is being installed in 23 classrooms, covering approximately 13,700 sq. ft using LG Cassette Air Conditioning Units of 1.5, 2, 3 and 4 Ton capacities, at an approximate total cost of ₹54,67,000/-
- V. The institution has implemented a comprehensive feedback mechanism in place to gather input from students, faculty, alumni, and employers on various aspects, such as teaching, infrastructure, facilities, syllabus, program outcomes, and program-specific outcomes. A detailed action report is prepared after analyzing the results of each feedback.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

Area	Action Taken
Curriculum Updates	- Curriculum revisions for new batches across all programs ensure alignment with current industry requirements, emerging technologies, and evolving academic and professional standards. - Specialization through LinkedIn Learning - Introduced program-wise learning pathways through LinkedIn Learning, providing access to 20,000+ courses, industry-recognized certifications, AI-powered interview simulations, and hands-on virtual labs to enhance students' specialization, skills and employability.
Upgrading Laboratory Infrastructure	- Established Centres of Excellence in Artificial Intelligence and Frontier Technologies, Cyber-Physical Systems (with IIT Ropar), Drone Technologies, and Electric Vehicles. - Procured high-performance AI and NVIDIA workstations at an approximate cost of ₹9,60,000/-, along with upgraded Cisco Academy Lab infrastructure, to strengthen advanced learning, research, and innovation. - Upgraded computer labs by installing 10 computer systems for the School of Law, 30 high-performance systems in the Bentley Lab.
Upgradation of IT Infrastructure	- Installed 25 Smart Interactive Panels and 40 desktop systems to strengthen teaching-learning facilities. - Enhanced campus connectivity through the installation of 35 additional Wi-Fi access points. - Strengthened campus security by installing 39 CCTV cameras, a 64-channel Network Video Recorder (NVR), biometric access systems, and an enterprise-grade firewall SOPHOS XGS4300.
Modernisation of Library Infrastructure	- Modernized library services through an RFID-enabled Library Management System integrated with a Digital Entry Reader and Book Drop Unit. - Installed 2 digital kiosks to improve information dissemination and student services.
Upgradation of Physical Infrastructure	- Commissioned a 250 kVA diesel generator to strengthen power backup. - Installed a 400 kVA transformer with servo stabilization for reliable power supply. - Expanded the campus solar power capacity by an additional 65 kVA to promote sustainable energy usage. - Expanded the canteen facility by 404.3 sq. m. to enhance student amenities. - Installed a passenger lift in Block B to improve accessibility. - Provided air-conditioning in staff rooms for improved working conditions. - Renovation of student washrooms. - Initiated the installation of a centralized air-conditioning system in 23 classrooms, covering approximately 13,700 sq. ft., at an approx cost of ₹54.67 lakh, to create a comfortable learning environment.
Automation of Student Support Services	Digitization of Student Document Services: Implemented an end-to-end digital workflow for issuance and tracking of student documents, including NOC/LOR, Provisional Certificates, Marks Cards, Degree Certificates, Bonafide Certificates and Character Certificates, significantly reducing processing time and manual intervention. Expansion of Student Self-Service Digital Portals: Developed digital portals for sports booking, intranet access, alumni mentoring, vehicle registration and internship applications.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

	● AI-Enabled Competency Development Framework: Integrated AI-based analytics to support personalized competency and skill development. ● Continuous Student Feedback Mechanism: Enabled continuous digital feedback on teaching, student well-being, and career development. ● Automated Student Communication System: Automated notifications for academic updates, deadlines, and student-related announcements. ● OCR-Based Data Digitization: Adopted AI-powered OCR for automatic extraction of student data from documents. ● AI-Assisted Project Evaluation System: Implemented AI-assisted evaluation for projects and dissertations to support faculty assessment and feedback. ● Digital Counselling and Student Well-being Platform: Introduced an online platform for counselling appointments and mental health support through the institutional psychologist and YourDost.
--	---

VI. Other Events/Activities

- a) The 3rd International Conference on Next-Generation Computing and Information Systems (ICNGCIS 2025) was organised on 7 December 2025, bringing together academicians, researchers, and industry professionals to deliberate on emerging trends in next-generation computing and information systems. The conference served as a platform for knowledge sharing and interaction with global experts.

A total of 137 research papers were received, out of which 30 papers were accepted for presentation and publication after the review process. The conference featured keynote addresses by Prof. Sartaj Sahni (University of Florida, USA), Prof. Kannappan Palaniappan (University of Missouri, USA), Prof. Srinivasa Narasimhan (Carnegie Mellon University, USA), Prof. S. Sitharama Iyengar (Florida International University, USA), and Prof. Gunasekaran Seetharaman (University of Missouri, USA).

- b) MIET, Jammu organized Sarvajana AI 2026 - Empowering the Next Billion through Education on 14th February 2026 at the Sh. H.L. Gupta Auditorium. The event featured keynote addresses by Mr. Deepak Gupta (Director, Professional Services at Coursera), Prof. Adit Gupta (Director, MIER Group of Institutions), Mr. Rahul Hakeem (Partner, Advisory KPMG) and Mr. Sidharth Mahotra (Principal, AI Strategist & Machine Learning Leader) who shared insights on AI-enabled education, enterprise transformation and responsible innovation. The event witnessed participation from academic leaders, educators and students, and also included project demonstrations, a felicitation ceremony and networking interactions.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

- c) The 5th edition of TEDx MIET, Jammu was successfully organized under the theme “EDGE – Explore, Discover, Grow, Evolve.” The event featured talks by distinguished speakers including Dr. Devansh Yadav, (IAS) Commissioner, Jammu Municipal Corporation, Ms. Bhanwi Bhardawaj, Miss Universe J&K and National-level karate athlete, Ms. Parvati Anil Sehgal, actor and classical artist, and Mr. Sudhir Anand, educator and ultra-runner, who shared their experiences and insights on leadership, resilience, creativity and perseverance.
- d) The institution successfully organized an AICTE ATAL-sponsored Faculty Development Programme on *Emerging Trends in AI, Metaverse and Quantum Computing* from 19–24 January 2026. The programme featured expert sessions by distinguished professionals from industry and academia, including Dr. Sathyaprakash Palaniyappan (Anuthantra Pvt. Ltd.), Mr. Amit Kumar (AWS), Dr. Vinit Jhaketiya (IIT Jammu), Mr. Khagendra Kumar (Vastavic AI), and Dr. Abhishek Gupta (CSIR-CSIO). The FDP provided faculty members, researchers, and professionals with valuable insights into recent advancements, research opportunities, and applications of emerging technologies, thereby strengthening their capabilities in teaching, research, and innovation.
- e) The Department of Computer Science & Engineering, MIET organized a Two-Day Seminar on “Exploring Artificial Intelligence Through Dogri”, sponsored by AICTE under the VAANI Scheme 2025-26. Distinguished speakers included Padma Shri Prof. Lalit Magotra, Ms. Neha Sharma, Prof. Pawanesh Abrol, Prof. Devanand Padha, Mr. Nipun Padha, and Prof. S.K. Sharma. The seminar featured sessions in Dogri on AI applications in language technology, cultural preservation, and regional development.
- f) The Annual Town Hall Meet 2025 was organized, bringing together staff members to reflect on institutional progress and future priorities. Prof. Ankur Gupta, Director, highlighted key milestones achieved during 2025 and outlined the vision for the coming years. He emphasized strengthening student skills, promoting a growth mindset and improving student experience through the CARE framework (Concern, Align, Rejuvenate and Engage). The session encouraged collective efforts towards continuous improvement and institutional growth.

MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)
(Permanently Affiliated to the University of Jammu, NAAC 'A' Grade Accredited)

- g) MIET - School of Law celebrated International Women's Day in collaboration with the District Legal Services Authority (DLSA), Jammu, under the aegis of the J&K Legal Services Authority, based on the theme "*Give to Gain*", highlighting the importance of empowering women through education, opportunity, and legal awareness.

The program was graced by Hon'ble Mr. Justice Sanjeev Kumar, Judge, High Court of J&K and Ladakh and Executive Chairman, J&K Legal Services Authority, as the Chief Guest. The event featured addresses on legal awareness and gender equality, along with cultural performances and awareness activities by students and participating groups.

- h) Prof. Umesh Rai, Vice Chancellor, University of Jammu inaugurated the Centre of Excellence for Skill Development in Emerging Technologies, comprising dedicated centres for Cyber Physical Systems and Additive Manufacturing, Drone Technology, and Electric Vehicles. The Centre aims to promote industry-relevant skills through nano-credit and micro-credit courses, certifications, specializations and diploma programs in emerging technologies.
- i) MIET organized the Annual Research Awards 2026. The event was graced by Prof. Umesh Rai, Vice Chancellor, University of Jammu, as the Chief Guest, and Dr. Neeraj Sharma, Registrar, University of Jammu, as the Guest of Honour.

During the event, more than 50 faculty members were felicitated and awarded financial incentives in recognition of their outstanding research achievements. Since the previous year, MIET faculty have published 215 research papers and book chapters, including 201 SCOPUS-indexed publications and 75 papers indexed in SCI/SCI-E/ESCI journals. During the same period, 20 patents were filed, taking the Institute's total patent filings to 77. Additionally, 5 patents were granted, increasing the total number of patents granted to 28.
